State Owership of Two Bay Bridges Urged by Chambers

A busload of representatives from the Chambers of Commerce of Washington Township will depart from Centerville at 10 a.m. Thursday for Sacramento to appear in behalf of a proposal for the state acquisition of Dumbarton and San Mateo bay bridges.

The California Toll Bridge Authority has called a public hearing for 2:30 p.m., Thursday, May 10, for the purpose of considering the state's taking over the privately owned toll bridges.

Chambers of Commerce in Decoto, Centerville and Niles this week endorsed the plan for state ownership and named representatives to attend the meeting. Bernie Joseph will represent Decoto; Judge Allen G. Norris was named the Centerville representative, and Dr. T. C. Wilson and Jack Parry will be the Niles representatives.

The Irvington Chamber of Commerce voted at its meeting Tuesday to table definite action on the proposal until next week's meeting.

Newark, Alvarado, Mission San Jose and Warm Springs Chambers do not have regular meetings scheduled before the date of the hearing but are expected to endorse the proposal and name special representatives to make the journey to Sacramento.

DONATES USE OF BUS

Harry Gaeta, owner of the Peerless Stage System, has donated the use of one of his buses to take the delegation to Sacramento.

Gene Manning, executive secretary of the Township Chamber of Commerce, announced this week that he would attend as the representative of that organization.

Offers have been received by the California Toll Bridge Authority from the San Francisco Bay Toll Bridge Company to sell the San Mateo Bridge to the state for $6,000,000 and from the Dumbarton Bridge Company to sell the Dumbarton Bridge for $2,250,000.

Governor Earl Warren requested the Toll Bridge Authority to notify public officials, civic groups and citizens of the counties of the Bay Area of the meeting and to urge all interested parties to attend.

NO TAX INCREASE

The legislation contemplated an issue of revenue bonds to be retired by the collection of tolls on the two bridges. It provides that the cost of operation, including expenses incurred in connection with the collection of tolls, be defrayed from toll revenues while the cost of the physical maintenance of the structures is to be paid from funds available for maintenance of state highways.

The franchise for the San Mateo Bridge runs for 50 years and will not expire under its terms until August 10, 1977. The franchise for the Dumbarton Bridge, under its terms, will expire on December 20, 1974.

GLIDER SOARS TO NATIONAL RECORD AT WARM SPRINGS

Two glider pilots, operating from the Warm Springs Airport, soared around Mission Peak near Mission San Jose for 12 hours and three minutes in their motorless craft last Sunday to establish what may be a new national record.

The plane, a two-place Schweizer TG-3, was piloted by Harry Perl, 40, of San Leandro, and Lee Arnold, 36, of Hayward.

Ralph D. Salisbury, manager of the airport, reported that the glider was towed from the ground at 7:15 a.m. and was released at 7:26 a.m. at 2,000 feet. Within three minutes the glider had soared to an altitude of 4,550, and remained in the air for 12 hours and three minutes.

The two pilots relieved each other at the controls throughout the day and landed at 7:29 p.m. with the aid of lights from autos.

Previous U. S. unofficial record for a two-place sailplane is 10 hours and nine minutes, set in Elmira, New York, in 1946.

The plane carried a sealed barograph, which records altitude and time in the air. The readings will be checked by the National Aeronautical Association and Soaring Society of America before the record can be declared official.

The two flyers hold a national soaring championship, which they won in Grand Prairie, Texas, last August.

HOLY GHOST FETE STARTS TOMORROW

Miss Arlene Silva, daughter of Mr. and Mrs. George D. Silva of Centerville, will reign over the Holy Ghost Festival in Centerville as queen when the festivities open on Saturday evening.

The procession of the queen and her attendants to the church, will be followed by a rosary, to be recited at 8 p.m. by Father John E. Curran, pastor. The attendants are Donna Bettencourt, daughter of Mr. and Mrs. Ray Bettencourt, and Evelyn Bettencourt, daughter of Mr. and Mrs. George Bettencourt.

Following the rosary there will be an entertainment in the church yard and a dance in Parish Hall.

The festival will continue on Sunday morning with the procession marching from Parish Hall to the church for an 11 o'clock high mass to be sung by Father Curran and a sermon in Portuguese by Father Macedo of St. Louis Bertrand Church in Oakland.

One of the highlights of the Festival will be the church benefit auction, beginning at two o'clock Sunday and lasting throughout most of the afternoon.

Heading the celebration as president is Jack DeLuce, assisted by George Roderick and Matt Whitfield.

VON SEIDLETZ HURT IN ACCIDENT AT NILES

Morris Von Seidletz, 620 Sunset Boulevard, Hayward, former owner of the Blue Room Tavern in Niles, suffered severe injuries about noon Tuesday in a traffic accident in Niles.

Von Siedletz's auto collided with a car driven by Miss Mary Virginia Bristow, Niles school teacher, at the intersection of First and F Streets.

He was rushed to Fairmont Hospital in the Township Ambulance, where he was found to have suffered a compound fracture of the right leg and possible internal injuries. He was transferred Tuesday evening to Hayward Hospital.

JOINT RITES TODAY FOR VICTIMS OF HIGHWAY CRASH

Triple funeral services for the three victims of Monday night's highway crash on Highway 17 near Centerville will be held today (Friday) at 9:30 a.m. from the parlors of the Berge Mortuary Company in Niles.

Two of the victims were sisters, Mrs. Flora Urrutia, 28, of Centerville, and Mrs. Helen V. Spaulding, 23, of Livermore. The third victim was Manuel Serano Rodriguez, 23, of Centerville.

The three occupants of the death car were instantly killed at 10:55 p.m. Monday when their car collided with a double-unit tank truck driven by Virgil Wayne Drown of San Jose.

AUTO DEMOLISHED

According to witnesses, Rodriquez, southbound, had attempted to pass a truck in his lane without adequate clearance. He apparently attempted to swerve his machine completely off the highway to get out of the path of the northbound truck driven by Drown.

The heavy truck struck the automobile just to the rear of the right front fender and carried it back down the highway more than 100 feet, where it was crushed against a power pole.

It required more than an hour for wrecking crews to free the bodies of the victims. The Centerville and Alvarado fire departments were summoned as a precaution against the wreckage bursting into flame.

CHILDREN ORPHANED

Albert Spaulding, husband of one of the victims, passed by the scene of the crash, en route from Alvarado to his home in Livermore, shortly after the accident, unaware that his wife was one of the dead trapped in the demolished auto. He was informed of the tragedy by the highway patrol after arriving home.

Mrs. Urrutia was a native of Mexico and the mother of four small children, Irene and Isabel Urrutia and Robert and Edward Rodriquez.

Mrs. Spaulding was a native of Los Angeles, and in addition to her husband, is survived by a son, Richard Spaulding, of Livermore.

Rodriquez was a native of Calexico and the father of Robert and Edward Rodriquez and the brother of Joseph S. Rodriquez, all of Centerville.

Triple graveside services will be conducted at the Santa Clara City Cemetery.

RAINFALL TOTAL NEARS 22 INCHES

For the first time since the fiscal year of 1942-43 the season's rainfall total for this area has this week exceeded 21 inches, according to the tabulations maintained at the Southern Pacific depot in Niles.

Wednesday evening's showers amounted to .22 of an inch, boosting the season's total since July 1, 1950, to 21.58. Showers continuing throughout the day yesterday were expected to swell the total over the 22-inch mark.

CUB SCOUTS ENJOY TRAIN EXCURSION

"Not one child lost and not one parent injured." That was the way the Cub Scout leaders from the Niles and Newark Packs summed up the enjoyable train excursion the groups made last Saturday from Hayward to Santa Clara and return.

The local lads and their escorts departed from Hayward, along with more than 700 other Cub Scouts from Southern Alameda County, at 9:45 a.m. During the three-hour layover at Santa Clara they marched through town and visited the parks, had lunch and were shown through Santa Clara University.

Accompanying the Niles Pack were Den Chiefs Douglas Elliot and Russell Larsen; Den Mothers Christine Smith and Katheryn Eacret; Cubmaster Ronald Andrus, and Mr. and Mrs. Joe Hudson, Mr. and Mrs. Al Wentworth, Mr. and Mrs. John Perry, Tom Robbins and Roy Eacret.

APRIL DRAFT CALL TAKES THREE MEN

Washington Township's share of the April quota of Selective Service Board No. 54 amounted to but three men, who left this week for service with the armed forces.

The local men included in the April quota were: Donald Bettencourt, Misison San Jose; Edward Perry, Niles; and Benjamin A. Salazar, Decoto.

Last month's call boosted to 69 the number of Washington Township youths drafted into the service since the reactivation of the Selective Service calls last September.

Manuel Lewis, Centerville, member of Board No. 54, said yesterday that the quota of men needed from this area in May has not yet been revealed.

LOCATION CHANGE FOR DECOTO POST OFFICE UNLIKELY

Decoto Postmistress Mary Janeiro told the members of the Decoto Chamber of Commerce at their meeting Tuesday evening that to her knowledge the post office will remain in its present location. The possibility of moving the post office to the new Tareyton Village tract had been rumored throughout the community recently.

Appearing for Captain Howard Amborn of the California Highway Patrol, Officer Al Weaver told the Chamber members that the shortage of officers and patrol cars makes it impossible for the officers to be in this area more often.

Manuel Seoane, delegate to the Washington Township Chamber of Commerce, reported on that organization's meeting of last week.

Henry P. Grunbrecher, civil defense director, urged the attendance of all residents at the showing of the atomic bomb movie on Friday, May 11, at the Decoto Elementary School. He stated that he needs many more volunteers in all types of work.

Secretary Bernie Joseph was instructed to write to Supervisor Chester E. Stanley requesting that street lights be installed at the intersection of Sixth and H streets and Thirteenth and H streets.

The group voted expenses to send a delegate to Sacramento to speak in favor of the state acquisition of Dumbarton and San Mateo Bridges on May 10.

J. J. Caldeira reported that the foundation on the Holy Rosary building has begun and many volunteers are needed to assist on Saturdays and Sundays.

SPRING ROUND-UP SCHEDULED TODAY

The annual F. F. A. Spring Round-Up, postponed last Saturday because of weather conditions, will be held today (Friday) at Washington Union High School.

Nineteen members of the local chapter of the Future Farmers of America will exhibit livestock and poultry entries and the judging will be held beginning at 1 p.m.

The greased pig scramble will be held during the afternoon but it is doubtful that many of the horse exhibitions and demonstrations will be staged.

The dance will be held in the school gymnasium beginning at 7 p.m. and the crowning of Queen Margaret Diosdada will take place during the intermission. She will be crowned by Ernest Kinzli, president of the local F.F.A. chapter.

A report on the Rotary convention at Redding was given during the meeting by Peter Juhl, president-elect; Clifford Dennis, secretary-elect; and President Will Lamoreux.

COMPROMISE ENDS CONTROVERSY AT ALVARADO SCHOOL

The controversy over the surprise firing of an Alvarado Elementary School teacher was officially closed Monday evening, but the circumstances which brought the sudden action by the Board of Trustees has remained a mystery.

The action was taken by the trustees at their meeting two weeks ago when they asked for the immediate resignation of Mrs. Isabel Lucas, teacher at the school for the past 18 years, and ordered a substitute teacher to take over her classes.

A Citizens Committee, formed to protest the board's action, had scheduled a mass meeting for Monday evening in an endeavor to bring the matter out into the open. However, the meeting was called off late Monday afternoon after the group had received a letter from the school trustees.

The letter was addressed to the Citizens Committee, and stated:

"Mrs. Lucas is satisfied if the Alvarado School Board will say that they were hasty in their procedure.

"The Board has Mrs. Lucas' resignation in hand and there is nothing further to be discussed.

"Mrs. Lucas also states that it will be much better for her future and for the school district if all procedures will cease."

According to Mrs. Antone Santos, who headed the Citizens Committee, Mrs. Lucas had submitted her resignation to Leslie Maffey, district school superintendent, with the instructions that it was not to be handed to the trustees until the above quoted letter was given to the committee by the trustees.

SALVATION ARMY REPORTS AID TO TOWNSHIP NEEDY

Major Ruth B. McCann, service extension welfare supervisor for the Salvation Army, was in the township this week visiting various members of local committees, and reporting on distribution of Salvation Army funds to the local needy.

"Salvation Army officials are proud of the fact," said Major McCann, "that a large proportion of monies collected here remain in the community. Furthermore, your local committees have the power to act instantly in case of emergency."

During the past year Salvation Army funds have been used locally to aid families in financial distress, to assist a cancer victim, to purchase meals for those in need of food, to supply clothing for the underprivileged, and to come to the assistance of fire victims.

"Any citizen in the community is welcome to report any case where Salvation Army funds could feasibly come to the rescue. The case should be brought to the attention of any member of your two local committees," said Major McCann.

The two committees are comprised of representatives of (1) Niles, Mission San Jose and Warm Springs, and (2) Centerville, Irvington, Alvarado, Newark and Decoto.

On the former committee are: Harvey Braun, chairman; Ed Enos, vice-chairman; Mrs. Roland Bendel, welfare secretary; and John Kimber, Mrs. F. V. Jones, C. A. Solon, Joseph S. Brown, Mrs. L. R. Batman and R. W. Kabrich.

On the second committee are: Peter Decoto, chairman; Loren Marriott, treasurer; and Mrs. E. H. Harris, Mrs. George Hellwig, J. N. Ralph, Allan Hirsch.

ABANDONMENT OF DECOTO STREET IS REQUESTED

A public hearing on the proposal to close one block of Seventh Street between B and C Streets in Decoto has been set for May 15 by the Alameda County Board of Supervisors.

The official abandonment of the block, which has never been used for a thoroughfare, is being sought to permit the area to become the site for a recreation hall on property owned by the Holy Rosary Church

Water District Tax Reduction Promised

A reduction in the tax rate of the Alameda County Water District is expected to be made as the result of action taken by the directors of the district at a special budget meeting last Saturday.

The directors unanimously passed a resolution ordering a cut in expenditures, calculated to reduce the tax rate for the next fiscal year from the present 36 cents to about 30 cents.

W. D. Patterson stated this week that the cut is made possible by savings due to completion of major extensions of main trunk water lines and provisions for payment of remaining lines yet to be built, but for which delivery is delayed due to shortage in the market of pipe and other materials.

The fast growth of population in the district, with the resulting lowering of costs for operation and administration of the distribution system and other operations has also resulted in a savings, Patterson said.

An accumulation of savings, sufficient to provide a reserve for possible emergencies in the future and the completion of major projects for the conservation of flood waters were also factors entering into the tax cut.

In his announcement of the tax cut rate, Patterson stated, "It should be noted by critics of the construction of the percolation pits at Niles in 1949, that these pits have, by calculation, in this winter alone diverted into the gravels of the district 8,000 acre feet of water that would have been lost into the bay.

"At the rate of $5 per acre foot, this benefit amounts in one winter to $40,000, or one-third of the amount of money borrowed for the purpose of building the diversion project."

Patterson went on to state that under the State Water Plan, as now proposed, water pumped from the San Joaquin River over the Livermore Hills at 700 feet elevation, the cost would be about $25 per acre feet delivered here.

"The result is that while our water levels have risen about two-thirds of the way back to sea level, in most of the state there is great alarm over the shortage of water for this coming season.

"We believe the result has amply justified the judgment of the directors," Patterson stated. "In addition to this, the board is prepaying the principal of the note so that by July of this year one-half of the principal will be paid off, leaving $60,000 to be retired thereafter out of current income."

BLOOD PROGRAM NEED TO BE TOLD

The Red Cross blood donor program and the part it is playing in saving lives of fighting men in Korea will be explained in detail at a public luncheon to be held today (Friday) beginning at 12 noon at the International Kitchen.

Mrs. W. L. McWhirter of Centerville, Washington Township chairman of the blood donor program, has announced that Mrs. Marie Adams, Red Cross worker at Oak Knoll Hospital, will be the guest speaker. Also present to tell of the benefits of the program will be two wounded veterans who have returned from the Korean front.

All civic organizations of the township have been asked to have representatives present at the meeting. The cost of the luncheon is $1.25 per plate.

CANCER DRIVE IS LAGGING HERE

Jack Parry, Washington Township chairman of the Cancer Drive, reported this week that the drive is falling short of meeting its quota. "The drive all over Alameda County is going very poorly," said Parry, "and here in the township we have collected $400, only 60 per cent of our quota."

He stated that the drive here would continue for two more weeks, and, in order to stimulate more interest, a system of personal contact would be instituted. Those wishing to contribute may also leave their donations in any township bank, where a receipt will be given.

IMPRESSIVE RITES SCHEDULED FOR NEW U.S. CITIZENS

The township's most impressive ceremony, the observance of "I Am An American Day," will be held this year on May 16, at 8 o'clock, in the high school auditorium.

Participating in the ceremony will be several patriotic organizations including the American Legion, V. F. W. Paul Rivers Post and the Vallejo Mills Post.

Judson Taylor, on the faculty at Washington High, will present the new citizens who will know, for the first time, the thrill of being an American. Their names will be announced in next week's Register.

In addition to the high school band which will play several numbers under the direction of Mr. Dwight Thornburg, there will be other musical selections including a vocal solo, "May the Good Lord Bless and Keep You," sung by Miss Sumi Kato.

Also scheduled to appear on the program are: Jack Pool, who will speak on "Washington Township and Defense"; a spring dance performed by members of the Japanese Citizenship League of Southern Alameda County; a talk, "I Am An American," by Stanley Peterson, assistant director of civil defense for Alameda County; and a demonstration of first aid by the Warm Springs Fire Department, with Clyde Voorhees as the narrator.

FINAL FIRST AID CLASS OPENS MAY 8

The final first aid course to be offered this school year by the Washington Evening School will begin sessions on Tuesday, May 8 it was announced this week by Warren Gravestock, evening school principal.

The class will meet each Tuesday and Thursday between the hours of 7 to 9 p.m. with Clyde Voorhees as the instructor.

Gravestock said that a large group of employees at the Alameda County corporation yard here have signed up for the course and urged all other persons who wish to enroll to do so immediately.

He revealed that some 700 residents of the township are now trained in first aid as the result of the 23 classes offered by the school during the current term.

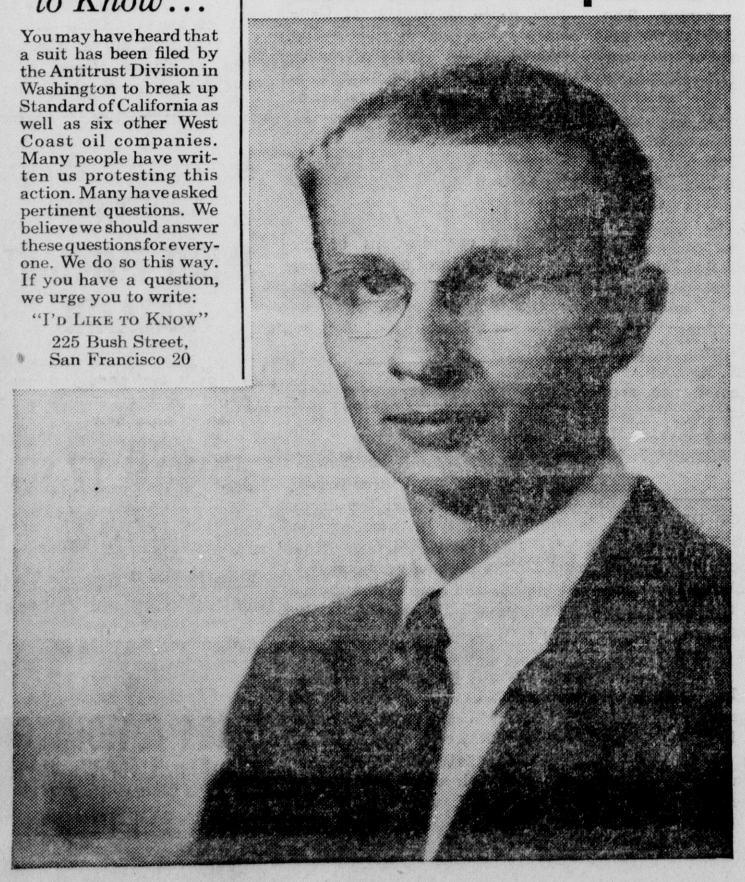
I'd Like to Know...

You may have heard that a suit has been filed by the Antitrust Division in Washington to break up Standard of California as well as six other West Coast oil companies. Many people have written us protesting this action. Many have asked pertinent questions. We believe we should answer these questions for everyone. We do so this way. If you have a question, we urge you to write:

"I'd Like to Know"
225 Bush Street,
San Francisco 20

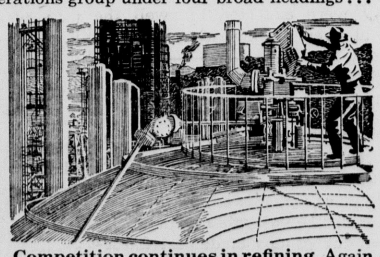
"How much competition is there among major oil companies?"



Harry F. Wood, attorney of Olympia, Washington, writes: *"What type of competition does actually exist among the major oil companies? Price? Service? Research? If it's research, we should find one oil company's brand of oil, for example, gives better engine protection."* Harry F. Wood

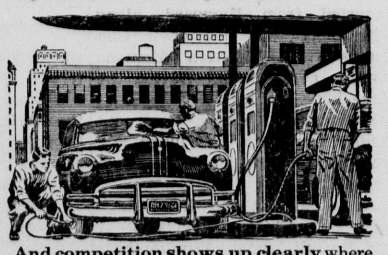
The answer to this question is much the same for the oil industry as for most others. Competition is intense in *all* operations. In oil, operations group under four broad headings...

Competition starts with crude. Oil companies explore, bid for rights to land where oil may exist. Then they must produce at costs low enough to meet market prices.



Competition continues in refining. Again each company must make the operation pay. If products are either not good enough or too expensive, we can't keep customers.

Competition in research exists indeed. A company must keep pace or lose out. Current pace-setter is our new motor oil. With tests using atomic energy, our scientists reveal it reduces engine wear as much as one-half, compared with conventional oils.



And competition shows up clearly where our products are *sold*. This is partly competition in *service*. ("We take better care of your car.") But it's competition in *price*, too. To get and hold business, every seller has to hold his prices down to meet others.

TRADE CERTIFICATES TO FIVE LOCAL MEN

State trade certificates will be awarded in June to five new journeymen whose training has been supervised by the Carpentry Joint Apprenticeship Committee of Washington Township.

The five—from Uiles, Newark and Centerville—will be members of one of the largest craft groups honored at the East Bay's fourth annual mass apprenticeship graduation exercises in the Oakland Auditorium. Carpentry graduates for the entire region will number about 50.

Those to be honored at the Oakland ceremonies are Francis Duarte, Box 72, Niles; Anthony Bettencourt, Box 105, Niles; Eugene Boyce, Box 1079, Newark; Thomas Kerns, Box 547, Niles, and Robert McIvor, Box 764, Centerville.

The Washington Township committee has C. G. LeCount of Newark, a contractor member, as chairman. Leslie L. Williams of Carpenters' Local 1622 is secretary. Other members are J. C. Baker of Irvington and Louis Potts of Newark, both representing employers, and Charles T. Carter and G. L. Kephardt of Local 1622.

Serving as advisors are Ralph Dallman of the Bureau of Apprenticeship; Warren Gravestock, evening principal of Washington Union High School at Centerville, and William Kees, instructor at the school.

Say you saw it in The Register.

IRVINGTON P.T.A. CHAIRMEN NAMED

Mrs. Martha Stone, newly elected president of the Irvington Elementary School P.T.A., announced at Monday's meeting the committee chairmen who will assist her in the administration of the organization during the coming year.

The chairmen named were: Mrs. W. H. Maloney, program; Mrs. Fred Kuhne, membership; Mrs. George Scamman, adult education; Mrs. Irene Robertson, Mrs. Linda Draft and Miss Irma Belding, hospitality; Mrs. Caroline Brown, cafeteria; Mrs. Al Peixoto, welfare; Mrs. Allan Hirsch, publicity; Mrs. Joe Burnsed and Mrs. Dave Vargas, ways and means; Mrs. William Tucker, magazines; Mrs. Ed Haynes, budget and finance, and Mrs. Bessie Olace, Founders' Day.

Although Mendocino was one of California's original 27 counties, it was administered as a part of Sonoma County until 1859.

ROSE SHOW POSTPONED UNTIL MAY 9 AND 10

The Seventh Annual Spring Rose Show, originally announced for May 2 and 3, has been postponed a week.

The show will be presented through the courtesy of Central Bank of Oakland on Wednesday and Thursday, May 9 and 10. It will be open to the public from 10 a.m. until 9 p.m., in the main lobby of the bank, located at 14th and Broadway. There is no admission charge.

Postponement of the show was necessary because not enough varieties of roses are open at this time for display, due to inclement weather, but it is believed that another week with a little sunshine will bring them out.

PLANS CARD PARTY

The Rebekah Lodge will hold its regular meeting tonight (Friday) at Odd Fellows Hall in Irvington, and will discuss plans for a public card party to be held on the evening of May 19.

Mrs. Elizabeth Mendenhall has been named chairman of the event.

BARGAINS BY THE BASKETFUL!

Not just a few "specials"... every item PRICED LOW at SAFEWAY

We liked a phrase one of our customers used last week. She said she shops at Safeway because she gets "Bargains by the basketful." Her remark sums up our pricing policy in a nutshell. You see, we set every price right down at rock bottom. (Our profit last year was less then 1⅓ cents on each dollar we took in.) This means that everything you buy at Safeway is an honest-to-goodness value! Start today to make each basket of foods you buy a "basketful of bargains." It will help plenty if you've been having budget blues.

NORMA JANE SMITH AND RICHARD BAKER EXCHANGE VOWS AT CENTERVILLE CHURCH

Norma Jane Smith, daughter of Mr. and Mrs. Fred Smith of Irvington, and Richard Walter Baker of San Jose, son of Mr. and Mrs. G. Conrad Baker, exchanged their marriage vows at 2 o'clock last Sunday, April 29, at the Centerville Presbyterian Church.

Howard N. Steward officiated at the double ring wedding ceremony. Mr. Gary Rehrig sang a vocal selection, "At Dawning," with Mr. Dwight Thornburg furnishing the organ music at the beautiful rites.

Richard's youngest brother, Tommy Baker, lighted the candles at the impressive decorated altar.

The bride was attired in a gown of nylon net over white organza, designed with long sleeves and off the shoulder effect, and chose a finger-tip veil of nylon net edged in wide lace. She carried a bouquet of white iris and lilies of the valley.

Claire Trobee of Hayward, a former classmate of Norma Jane, acted as bridesmaid, and wore a gown of aqua organza. She carried a bouquet of peach colored carnations and white stephanotis and in her hair wore a coronet of the same colored carnations.

Performing best man duties was Richard's brother, Robert C. Baker of San Jose. Johnny Pricola and Rex Williams were ushers.

Mrs. Smith attended her daughter's wedding in a navy blue suit. White accessories and a corsage of lavender baby orchids completed her outfit.

Mrs. Baker, the bridegroom's mother, wore a navy blue ensemble with pink accessories and a corsage of lavender baby orchids.

Following the ceremony, the couple greeted their friends and relatives at a reception held at the Country Club of Washington Township, many being from various parts of California.

The bride chose a navy blue wool suit trimmed with white pique, white accessories and a corsage of baby orchids for her going away outfit.

The benedict graduated from Lincoln High and San Jose State College and is employed as window display man at Hart's Department Store in San Jose.

The bride is a graduate of Hayward High School and San Jose State College. She has been employed as a secretary in the City Engineer's office.

After a week's honeymoon they will reside in San Jose.

BOX SOCIAL TONIGHT IS OPEN TO PUBLIC

A box lunch is the only price of admission to be paid by those who attend the big box social being sponsored tonight by the Knights of Pythias at the Newark Youth Center.

The ladies, of course, will be the ones to supply the box lunches, which will be auctioned off during the evening. This is only part of the fun, for there will be all sorts of entertainment guaranteeing a full evening for those who attend.

Proceeds from the auction of the box lunches will help to pay the expenses of two Newark boys to the Pythian Youth Camp this summer.

OVER 300 GUESTS ATTEND NUPTIALS OF EDNA LEWIS AND WILLIAM HOLLOWAY

"One of the most beautiful weddings I've ever seen," was the comment of one of the wedding guests at the Edna Mae Lewis-William Curtis Holloway rites at Corpus Christi Church last Sunday afternoon. This seemed to be the concensus of all the guests who watched the lovely brunette bride walk down the aisle on the arm of her father, L. L. Lewis, to be met by her bridegroom at an altar banked with white stock and white iris. Father S. McEnery performed the ceremony.

The bride was attired in a fitted dress of white nylon rosepoint lace with long sleeves and train. Her finger-tip veil of French illusion was held in place with a headpiece of shirred net and seed pearls. She carried a bouquet of white tulips and stephanotis, with a white orchid center.

The bride was preceded to the altar by her two sisters: Miss Charlotte Lewis as bridesmaid, and Mrs. A. J. Rosenga Jr. as matron of honor. Both wore ballerina-length gowns of turquoise faille with cloche hats to match, trimmed with nylon net. They carried identical bouquets of yellow tulips and white bouvardia.

The groom's mother, Mrs. Oscar Freestrom, who came down for the wedding from Portland, was attired in a black and white print ensemble with black accessories. The bride's mother chose a blue and gray corde suit with navy blue accessories. Both women wore orchid corsages.

Mrs. Roy Olsen, the groom's aunt, of Forrest Grove, Oregon, and Mrs. Max Saftenberg, his sister, of Portland, also made the trip down for the wedding.

Wedding music was supplied by Mrs. Clarence Crane at the organ, with a solo, "Panis Angelicus," sung by Miss Caroline Rogers.

Leonard Smith performed best man honors, with Wayne Davis and Ray Seccombe showing the guests to the pews.

After the ceremony, a reception was held at the Veterans Memorial Building in Niles where about 300 guests felicitated the happy pair, who left for a honeymoon trip to Southern California and Palm Springs. For her going-away costume the new Mrs. Holloway selected a gray and red check suit, gray felt hat, and red bag and shoes.

After their marriage, the couple will make their home in Berkeley.

Five-Day Motor Jaunt

Mr. and Mrs. Al Juhl, accompanied by Mrs. Bain Leask, all of Niles, took a five-day motor trip last week up the Redwood Highway, over to Red Bluff, thence over to Reno, via Lake Tahoe. "It was a beautiful trip," said Mr. Juhl. "The rivers were running high, the dogwood was in bloom, and everything in the way of scenery was at its best. It was a perfect time of year to make the trip."

Jackie Haynes and Jan Nall of Irvington gave a potluck picnic at Sea Clift on Sunday. Those attending were Janet and Leah Robertson, Anna Grimmer, Pat Holland, Mr. and Mrs. Gus Robertson, Sandra and Calvin, Mr. and Mrs. Ed Haynes and Chester Nall. The men spent the day fishing. Guest in Newark

Rushing the Season

A local couple, lulled into an ecstatic state of spring fever by the appearance of blossoms, birds nesting, and wild-flowers springing up, found, to their dismay, that spring, although it is rampant in Washington Township, is not "burstnig out all over"—at least not up in their summer cabin in Cisco.

They motored up to their cabin, armed with the fervor of vacationists prepared for a nice relaxing day lying under the trees—or perhaps taking a swim in some nearby mountain lake.

They were crudely and shockingly awakened from this state of ecstacy by spending the week-end hovering around the stove, and hemmed in by fifteen inches of snow.

The disillusioned couple are Mr. and Mrs. R. J. Wright of Irvington.

Local Boy Now In Georgia

Pvt. Norval Peixoto surprised his mother, Mrs. Evelyn Peixoto of Irvington and his many friends by sending a telegram to meet him at the San Francisco airport on April 11.

Norval was one of the twelve boys chosen from his division to attend school at Camp Gordon, Georgia, from which he has just been graduated.

He is now stationed at Fort Benning, Georgia.

Pvt. Peixoto left Monday night, April 23, from the San Francisco airport by plane back to Fort Benning, to report for duty April 24. His division will soon be shipped overseas.

Home from Hospital

Friends of Mrs. John Schilling of Newark are happy to hear that she has returned home after a month in the San Jose Hospital. She was there being treated for an arthritic condition.

Newark Bride on New York Honeymoon

St. Edward's Church in Newark was the setting for the merger of Lillian Hoffman Rausch and Dr. William Worthing Calhoun Jr. The couple, married on April 28, is now spending a honeymoon in New Orleans, where they will visit Dr. Calhoun's mother, and from the southern city will go on to New York, to return to California at the end of the month.

The bride, daughter of Mr. and Mrs. Michael Hoffman of Newark, is a graduate of Washington Union High School. She had been working as a dental assistant in Marine Hospital in San Francisco, where she met her husband, who is in the U. S. Public Health Department there.

For her wedding attire the new Mrs. Calhoun chose a pale blue taffeta gown, fashioned with side paniers, and tight-fitting bodice with bolero effect. Her shoulder-length veil was held in place with a coronet of orange blossoms. She carried a bouquet of white orchids, with streamers of lilies of the valley.

Her attendant was her sister, Mrs. Jennie Bernard of San Francisco, who wore a lilac-pink gown, and carried an old-fashioned bouquet.

Mrs. Hoffman chose a dusty rose dress with blue accessories for her daughter's wedding, and wore an orchid corsage.

Roy Smith of San Francisco was best man.

Music for the ceremony was furnished by Mrs. Doyle of Newark.

A reception, where the popular pair received their friends, was held at the home of the bride's parents, at 2239 Dairy Avenue.

The Hoffman home was festive, with spring blossoms used in the decor. Pink and white stock and pink tulips were used very effectively.

After their return from the east, the newlyweds will make their home in San Francisco.

Judging at Flower Show

Mr. and Mrs. J. A. McDonald of Niles were among those who attended the flower show in Oakland. They were there at the preview, as Mr. McDonald was one of the judges. Another localite who was a judge was Mrs. Dora Mae Scudder of Niles.

Recuperating

Kenneth Shull, three-year-old son of Mr. and Mrs. John Shull of Newark, is home recuperating from a tonsillectomy performed last Friday at Alameda Hospital. "Kennth is getting along fine," said Mrs. Shull. "You can't keep him down."

No Improvement

Mrs. Myrtle Lusk, who has been staying with Mrs. Floyd Seymour for the past two weeks, reports that Mrs. Seymour's condition has not improved. She has been ill since the first of the year.

NEW MEMBER FOR ST. JUDE'S

Mrs. Mary Rivers of Centerville was initiated into St. Jude's Institute, Y.L.I., Irvington, at the meeting of that organization held April 24 at the I.O.O.F. Hall in Irvington.

NEWARK P.T.A. TO INSTALL ON MAY 8

Installation ceremonies for the Newark P.T.A. will be held on May 8 at 2:30 p.m. with Mrs. Norma Willburn being installed as the new president. Mrs. J. R. Kettman is the retiring president.

The main project of the past year has been to raise funds to support the free lunch program at the school. Card parties and other benefit affairs, carried out successfully by the president and her board, made the project possible.

New contracts for the school term of 1951-52 were handed out this week by the Board of Trustees of Washington Union High School to all of the members of this year's administrative staff and faculty, with the exception of the faculty members who have submitted their resignations.

The teachers who have announced that they will not return to Washington High next year are: Merton Jones, science; Mrs. Martha Helen Hartsog, English and dramatics; George Reeves, woodshop, and George Starrett, chemistry, physics and math.

The new contracts for the faculty members carry a flat yearly wage boost of $300 and the noncertificated contracts call for an increase of $120 per year.

The trustees also authorized the hiring of an additional custodian and bus drivers. Applications may be made with J. V. Goold, district superintendent.

Manuel Bernardo was named as the representative of the trustees to serve on the Softball Association Board of Directors.

BOXING CARNIVAL SET FOR MAY 11

A capacity audience is expected to fill the gymnasium at W.U.H.S. on Friday evening, May 11, long before the bell rings opening the first bout of the annual Boxing Carnival.

The coaching staff at the school has announced that the evening's entertainment will consist of ten 3-round bouts in all weight categories.

Names of the young leather-pushers who will compete will be announced in next week's issue of The Register.

HUSKIE DIAMOND SQUAD LOSES TONY NIEVES

Coach Irving Hird s Washington Huskies lost another veteran from their ball club for the remainder of the season this week because of injuries.

Tony Nieves, classy first sacker, suffered an ankle fracture Monday evening while sliding into second base during a practice session.

He is the second member of the season's original starting line-up to be lost because of injuries.

Ralph Juhl, hard-hitting outfielder, was lost to the Huskie squad early last month when he also fractured an ankle while sliding into a base.

Columbia became a State Park on July 15, 1945.

HUSKIES MOVE INTO THIRD POSITION IN SCVAL COMPETITION

The Washington Huskies moved into third place in the Santa Clara Valley Athletic League baseball standings last Thursday by virtue of their 6-5 victory over the Fremont Indians, giving them a league standing of 4 wins and 2 losses.

The top half of the Huskie batting order bunched nine hits and utilized three Indian bobbles to push across the six runs. The Indians were able to collect but five runs out of 11 hits and four Washington errors.

Castro and Springer shared the mound duties for the Huskies. Cicairos led the Huskie batting onslaught, getting three hits for five official times at the plate.

The Bellarmine nine were turned back 9-5 Tuesday by Vargas, Huskie southpaw, who pitched an outstanding seven innings. Vargas held the San Jose lads scoreless and hitless the first four innings and gave up but two hits all the way.

Perry, who took over Nieves' place on first base, handled the position like a veteran and had a perfect day at the plate, getting two for two. Berrios and Caravalho also collected two hits each.

Tuesday's game gave the Huskies a season's standing, including league and non-league games, of 10 victories and five losses.

HORSE RUSTLER PLEADS GUILTY

John D. Machin, 22-year-old ranch worker, charged with the theft of a horse in Niles last month, pleaded guilty to grand theft before Superior Court Judge Charles Wade Snook Friday and will be sentenced on May 22.

Machin told the court that he felt that he was doing nothing wrong when he took the horse belonging to E. S. O'Connell of Niles.

"The horse was unbranded, untattoed, unmarked, on unfenced land," he declared. "Where I come from that means she's unowned. So, I claimed her."

A burglary count, charging Machin with breaking into a barn and stealing a saddle and gear valued at $250 was dismissed by Assistant District Attorney Folger Emerson after the plea of guilty to the grand theft charge.

Machin was nabbed by Deputy Sheriff Glen Anderson who tracked the animal 11 miles across the hill lands towards Tracy where he was found dickering for the sale of the stolen property.

FORMER RESIDENT SIGNED BY MAJORS

A former Niles boy, Bill Koski, now pitching for the New Orleans Pelicans, has been purchased by the Pittsburgh Pirates and will be given a 30-day trial with the major league club.

Koski attended Niles Elementary School for several years when his father was employed here as a salesman for the Associated Oil Cmpany. The family left here abut six years ago.

The 19-year-old hurler weighs 190 pounds and stands 6 feet 4 inches. He was signed by the Pirates shortly after he graduated from Modesto high school and sent to the Mayfield, Ky., Club of the Kitty League. In 1949, while playing prep school ball, Koski won the Chronicle Outstanding Player award in the East-West game.

With the Kentucky League last season he led the league with an earned-run average of 2.42. He won eight games while giving up 59 hits, 37 walks and making 51 strikeouts.

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

Lois Bottenberg

SURPRISE!

Was it a nice surprise when the Jerry Spauldings and their family of three arrived in Mission San Jose from Corpus Christi, Texas, to spend a well earned vacation. Jerry is a chief petty officer in the U. S. Navy and used to be stationed at Moffet Field and the family resided here for some time. They visited the post office, Mary and George Rodrigues and family, the Earl Chambers family, Mrs. Filomena Souza and said hello all around town. They spent a few days in Alameda with relatives and then back to the windy state.

TO FLOWER SHOW

Mrs. Maria Schneider, Regina and Carl all motored to the flower show at Oakland last Sunday and enjoyed it very much.

BIRTHDAYS GALORE

Birthdays for the week are many. Seems a lot of folks tried to arrive in this old world on May day but some missed one way or another, but Teddy Perreira made it on May 1, Del Stotts and John Untiedt on April 30, Marie Schneider and Janie Lofton May 2, and I bet if I could only find out there are more.

HOUSE GUEST

Miss Grace Haygood spent a few days here at the home of Mr. and Mrs. Henry Lowe and family.

A 'CLOSE CALL

Where did you get that hair cut! That was the first thing I thought when I saw Pvt. "Cappy" Cunha on Saturday evening. He was home on his first furlough from Fort Ord to see his folks, Mr. and Mrs. Tom Cunha and sister, Shirley, not to mention Miss Jeane Neeley; and all his lovely (no kidding) curls were off CLOSE to his head. Anyway it was good seeing him again.

A SUCCESS

Sister Valeria of St. Mary of the Palms and her music pupils of the school gave a wonderful recital on Sunday. Many parents and friends attended and enjoyed many wonderful selections from the older girls as well as beginners numbers from the younger ones.

SADDENED

We were all saddened to hear that Reverend Joseph Renault had passed away at his parish in Calistoga. He had been ill for some time but not seriously. He died of a heart attack. Rev. Renault will be remembered for his tireless effort and help in making the Mission San Jose Sesquicentennial such a big success, while he was assistant parish priest here in the Mission.

FROM PESCADERO

Mr. and Mrs. John Cardoza spent Monday here in the Mission with her mother, Mrs. Florence Medeiros. They are from Pescadero.

HAPPY BIRTHDAY

Another happy birthday to Leo Denny on Sunday for he really had a wonderful evening at the home of friends, where other friends came in to wish him well and enjoy his birthday cake with him.

OFF TO OGDEN

Off to Ogden, Utah, treked Robert Lofton to resume his duties at the Army supply depot in a civilian capacity. He had been home for some time following an operation and now, being fully recovered, begins his work on May 1. He is the son of Mr. and Mrs. Marvin Lofton.

FROM SACRAMENTO

The Bottenbergs entertained Mr. and Mrs. John Heintz of Sacramento over the week-end. They are step-parents of Glenn. Also on Sunday afternoon Mr. and Mrs. Frank Barros and little son, Keith Allen of Alameda, dropped in to say howdy. They also visited Mr. and Mrs. Ed Chambers, but failed to find Frank and Grace Vieth at home.

HI, WEEZER!

I haven't seen him yet but I know his mom is really glad to have him home again after serving in the army in Massachusetts for nearly two years, so, Hi Weezer Fernandez, come on up and say hello to the gang in the post office. He has been given a medical discharge, so he will be around town for a while.

A BIG TIME IN GRAVE DANGER

Mr. and Mrs. George Murphy were called to Oakland one day last week and remained over night because of the serious illness of their niece, daughter of Mrs. Marie Ray. She is hospitalized and still in grave danger.

You would have thought you were really at a BIG TIME carnival on Saturday evening at the Elementary School, for every booth gave that feeling. Fish ponds, toss games and all sorts of other things entertained the nice crowd for the evening. The Student Body did a really fine job and thanks go to Andy Heinz of the Linda Vista Park for his loan of many things to help make it a success.

SAFETY PATROLS TO PARADE MAY 12

Six Washington Township elementary school Safety Patrols will participate in the sixth annual School Safety Patrol Review on Saturday, May 12, at 9:30 a.m., at Hayward Union High School's new football field. More than six hundred students will march in the review, with four high school bands in the lead.

Local schools whose safety patrols will participate in the review are: Newark, Mission San Jose, Irvington, Centerville, Alviso and Alvarado. The marching band from Washington Union High School will be one of the bands providing the music.

The celebration will include a swimming party and picnic at Hayward Municipal Plunge and Memorial Park. Following the review ceremonies, the patrols and bands will parade along First Street to B Street, then right to Main Street, along Main to E Street, then to Bret Harte School.

A picnic lunch for patrol and band members will be provided by P.T.A. groups, school faculty groups, Chambers of Commerce, and community service clubs of Southern Alameda County.

AT RAMS' SALE

Mr. and Mrs. Michael Overacker of Mission San Jose were in Sacramento for four days this past week, to attend the annual rams' sale. They came home the owners of four new rams. She went on to say that the high price would obviously be reflected in the price of wool, which has already about doubled, and the price of lamb.

THE ROAD BUILDERS

What these fellows need is an old fashioned touring car that can negotiate those back country roads.

GOOD AS NEW

Lyle Emerson is back to work after a two weeks' layoff. He drove a needle in his foot accidentally, but it has been removed and Lyle is as good as new.

ON SICK LIST

Betty Morgan, one of the girls in the office, had to have an appendix operation at the Hayward Hospital. She is doing nicely and we hope she will be back in a couple of weeks. Marion Conine, who left here about a month ago, is back again until Betty returns.

SOMETHING NEW ADDED

Frank Carcot, purchasing agent, and his wife were blessed with a 5½ pound baby girl last Friday, April 27. They named the baby Barbara Denice. Both the baby and Mrs. Carcot are doing nicely.

ON FISHING(?) TRIP

Ed Thorpe, Bud Lawler, Dick Walker and Cecil Bettencourt are all going trout fishing this coming week-end at Feather River Canyon. They are taking plenty of everything, probably come home with a hang-over.

Thinking Things Over . . .

By VIVIAN BATMAN

The picture of the four teenagers who were killed this week in an auto accident was placed in a very prominent spot in the school which my son attends. I think it's a good idea. One picture, as the Chinese say, is worth a thousand words.

AN IDEA

I had an idea this week.

Many people, including my family, become a trifle apprehensive when I say I have an idea.

If I hadn't gone to the Music Festival put on by the elementary schools of the township at the high school last Tuesday, I never would have had this idea.

But there I was, being properly inspired by the young voices and the young instrumentalists—not to mention the young folk-dancers—when all of a sudden this idea struck me like a bolt of lightning. "All of these schools are cooperating beautifully," I said to myself. "All of the schools of the township are in on this, and it's a beautiful sight to see such cooperation. It's a beautiful sight to see so many youngsters together. WHY DON'T THEY HAVE THEIR GRADUATION CEREMONIES JOINTLY?"

Just think what a convenience this would be to many people who try to get around to all the graduation ceremonies of all the children they know. Think, also, what a convenience it would be to Mr. Vaughn Seidel, county superintendent, who would have to make only ONE speech, instead of several. (Or does Mr. Seidel ENJOY making speeches?)

Think, too, how nice it would be for me. I would have only ONE graduation story to write, instead of nine!

TOO MUCH

It was so cold up at the Old Hearst Ranch last Sunday (Niles Day) that every time Wally King, the emcee, motioned for the guests to shout "The O-o-ld Hearst Ranch, where the sun shines A-L-L-L the time," their teeth were chattering so badly they couldn't get the words out.

Right now I make a motion that the next time they have Niles Day they hold it in the middle of the summer. I'd do a lot for Niles, but sitting there in the cold was just a little too much to ask of ANY Niles booster.

Where's the Fire?

Saturday, April 28, Decoto, 4:32 p.m., Alvarado-Niles Road, car in garage.

Monday, April 30, Centerville, Highway 17, near Alviso school, auto wreck.

Monday, April 30, Alvarado, 11:30 p.m., same as above.

FOOD SALE AND TEA AT IRVINGTON SATURDAY

A food sale and tea will be held tomorrow (Saturday) at the Westminster Hall of Irvington Community Presbyterian Church under the sponsorship of the Churchwomen's Association.

Mrs. R. J. Wright, chairman, has announced that the affair will open at 2 p.m. She will be assisted by Mrs. William White.

RITES TODAY FOR MRS. W. G. SCHINDLER

Funeral services will be held in Centerville today (Friday) for Mrs. Flora Catherine Schindler, 59, of Newark, who died Wednesday.

She was the wife of William G. Schindler; mother of Mrs. Marcella Hempleman and Edward Bimemiller, both of Newark, and Jack Bimemiller of Castro Valley; sister of Mrs. Mary Swinderman, Mrs. Gertrude Begley and Charles Thull, all of Pennsylvania. She was a native of Pennsylvania, but had been a resident here for the past 32 years.

Funeral services will be held at 10 a.m. at the parlors of the Chapel of the Palms, conducted by Rev. John Peffers, pastor of the Newark Presbyterian Church. Interment will be at Lone Tree Cemetery, Hayward.

PAPER DRIVE IN NEWARK TOMORROW

Newark residents are being reminded that tomorrow brings an opportunity to get rid of those old newspapers that have been cluttering up the closets and the garage.

For tomorrow is "paper drive" day. Bundles of papers should be stacked in plain view so they can be easily spotted by the pick-up groups as they drive by in cars.

Proceeds from the paper drive will be used to benefit Newark youth groups.

Say you saw it in The Register.
